supporting retreat in the city

Retreat House Chester is a registered charity offering non-residential retreat in the heart of the city and the heart of everyday life. Based in Abbey Square, Chester, we work both here and throughout the city with individuals and groups, offering ways to

...*find* a time of peace

...*experience* different ways of developing our reflective nature

...*explore* spirituality in a Christian context

...*connect* this with our daily living, and connect with one another

Peace

To this house;
To those who enter;
To those who dwell here;
To those who depart,

Peace

*from the blessing above the old retreat house door
and still guiding our work today*

*Please help us offer
retreat in the city
as widely as possible
by becoming a Friend of
Retreat House Chester.*

It costs in the region of £24 000 a year to fund this work, and Friends are key to what we do. We urge you to give what you can. Supporting this unique way of offering peace in the city couldn't be easier. Simply instruct your bank as appropriate, complete the form on this leaflet, and then return the form to us. This way, you stay in control of all your donations.

In return, we will make sure that you are invited to two special Friends events each year, and that you are kept up-to-date with our news. More than this, you will know that you are helping to make the benefits of 'retreat' available and accessible in a unique and much-needed way.
